# KIRKLAND CITIZENS ASSOCIATION WANTS YOU!

The Citizens Association is a non-partisan entity with the following objectives:

- Build a sense of community among neighbours;
- Empower residents to work together in improving their neighbourhood;
- Provide Kirkland citizens with an effective communication link with government officials and other influential groups;
- Address a particular issue of the neighbourhood.

Quite a few municipalities have had these citizens associations for many years – in Beaconsfield, Westmount, Pierrefonds-Roxboro. A new CA is being formed in Pointe-Claire now. Hundreds of CAs have been in existence in Canada and the US.

The key to building a successful Citizens Association is to get more citizens involved. If you want to make Kirkland a better home, please visit us at [kirklandcitizen.com](http://kirklandcitizen.com) or contact by email [kirklandcitizen@gmail.com](mailto:kirklandcitizen@gmail.com) and you will receive further information and a copy of the Bylaws.

Please, pass this information on to other Kirkland residents that may be interested.
